Application No. 10/764,248

Continuation of 3. NOTE: The additional limitation amended to independent claims 1, 20, and 34 reciting, "wherein said item grouping component is further configured to utilize said one or more group characteristics to generate one or more group titles for at least a portion of said plurality of groups," changes the scope of the claims when viewed as a whole, requiring further search and consideration.

Continuation of 11. does NOT place the application in condition for allowance because: Applicants arguments are substantially directed to the amended subject matter.
